## The Great Sierra River Cleanup

### Save the date!

For five years running, the third Saturday of September has drawn thousands of volunteers to the Sierra Nevada for the largest volunteer event in the region—the Great Sierra River Cleanup, sponsored by the Sierra Nevada Conservancy. This year, organizations across the region will coordinate local cleanups and spend 9 a.m. to noon on September 20th pulling trash out of our Sierra rivers, lakes, and streams— sources of drinking water for 23 million people in the state. If you would like to join this volunteer event that has collected nearly 600 tons of trash since its initiation in 2009, visit [www.sierranevada.ca.gov](http://www.sierranevada.ca.gov) and click on the Great Sierra River Cleanup link for more information!
