## Great Sierra River Cleanup

**Name:** Great Sierra River Cleanup**Date:** September 21, 2014**Time:** 12:00 AM - 11:59 PM**Website:** [www.sierranevada.ca.gov](http://www.sierranevada.ca.gov)

### Event Description:

The Great Sierra River Cleanup is the premier volunteer event focused on removing trash and restoring the health of waterways throughout the Sierra Nevada Region. This cleanup is an annual event coordinated by the Sierra Nevada Conservancy and held in conjunction with California Coastal Cleanup Day.

During the first four years of the Great Sierra River Cleanup more than 14,700 volunteers have joined together to remove over 550 tons of trash and recyclables from watersheds throughout the Sierra Nevada. Hundreds of community groups have spread across 22 counties and 1,280 river miles to pull appliances, cigarette butts, beverage cans, baby diapers, tires, furniture, and more from the rivers and streams that supply the State of California with 65 percent of its water. This effort, in partnership with the California Coastal Cleanup Day, serves to promote good stewardship on all of our waterways, from the source to the sea.
